MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

JULY 1, 2003

The 2002-2003 Los Angeles Grand Jury report identifies facility and management issues at Probation camps throughout the County. While many of the camps received evaluations of "meets high standards" or "well managed facility," some camps and halls received lower ratings.

It is vital for Probation camps and halls to be clean, well managed facilities that contribute to the education and rehabilitation of delinquent minors. The Probation Department needs to examine that conditions at all camps and halls to ensure these goals are achieved.

I, THEREFORE, MOVE that the Board of Supervisors direct the Probation Department to inspect all Probation camps and halls for deficiencies cited in the 2002-2003 Grand Jury report and report back in writing in two weeks regarding the current conditions at these facilities and any corrective actions being taken to address cleanliness and management issues.
